

FK-C10T

Basic information

Model

FK-C10T

Rated capacity

10000kg

Load center

600mm

Operator type

Drive in seat

Height of mast

3890mm

Technical Specification

Power type:	Diesel
Rated capacity :	10000kg
Load center:	600mm
Operator type:	Drive in seat
Max. lift height of mast without Load-backrest:	4320mm
Max.lift height of fork (standard) :	3000mm
Height of mast :	3890mm
Free lift height:	100mm
Height of Load-backrest:	1015mm
Distance from seat to overhead guard:	1080mm
overhead guard height:	2560mm
Length without fork:	4270mm
Front overhangFront overhang:	720mm
Rear overhang:	742mm
Wheel base:	2800mm
The height of traction pin:	520mm
Min. ground clearance:	225mm
Overall width:	2165mm
The distance between forks:	2460/450mm
Min. Turning radius(outside):	4080mm
Min. Turning radius(inside):	210mm
